

**MISSION STATEMENT FOR  
LONG BEACH CATHOLIC REGIONAL SCHOOL**

*We, at Long Beach Catholic Regional School (LBCRS), consider education to be an ongoing enlightening process. Through a unified effort with parents, who are the primary teachers, it is our aim to provide a safe and loving atmosphere where the whole child can develop spiritually, educationally, physically, emotionally and socially. At LBCRS, we strive to create and enrich experiences so that students may be empowered to understand, judge, and make decisions in light of Christian values.*

**ADMISSION STANDARDS**

In conjunction with the policies of the Diocese of Rockville Centre, Long Beach Catholic Regional School admits children of any race whose parents/guardians, as the primary educators, exercise their right to have them attend LBCRS. Priority for admittance is extended to Catholic children who have siblings in our school and/or children whose parents are contributing parishioners of one of the supporting parishes.

**SCHOOL POLICY**

- **Academic** – Children admitted to LBCRS in any grade shall be capable of performing the tasks appropriate to the curriculum of that grade level. Capability will be judged by:
  - the administration of grade appropriate questions and school work,
  - a review of scholastic records of the previous school, and
  - an interview with the Principal.
  - **Failure to disclose information regarding a child’s existing IEP is considered grounds for non-acceptance into Long Beach Catholic Regional School.**
  
- **Financial**
  - Tuition - Parents of students admitted to LBCRS should realize their obligation to underwrite the expense of the education by supporting the parish they belong to through their use of the envelope system. This system must be used to ensure that the student receives the in-parish tuition rate. Tuition is paid directly to the school and is due on the first of each month. Parents are encouraged to use tuition stubs and to pay by check. Tuition is paid in 10 monthly

installments from August to May. Financial rearrangements need the approval of the Tuition Review Board which may be contacted through the school or the tuition coordinator at 431-1690.

- Fees - There is a school academic fee of \$80 per student, which is due at the time of re-registration. This fee covers expenses for Standardized Testing, Art, Science, Music materials and Religion books.
- Fundraising - Various fundraising activities (Commitment-to-Service) are held during the year. Parents will be asked to donate time and talent to assist in the various aspects of these projects and activities. If parents do not fulfill their Commitment-to-Service, they will be required to pay a fee of \$400.
- **Attendance Regulations** - In order to ensure academic success, each child must attend school on a consistent basis. In the event that a child is absent from school, parents are required to call the health office **before 9:30AM** (432- 8921). Parents may request homework if the student is out of school. Homework requests must be made while calling the health office. **A written excuse from the parent/guardian is required when a student has been absent. A written doctor's note is required of a student whose absence is FIVE or more consecutive days.**
  - If families take vacation during school time, children are expected to make up missed work upon their return to school. **Classwork will not be provided ahead of time.** Students are urged to keep a journal of their activities and to read in order to keep their skills sharp. Parents are requested to avoid making planned trips during testing weeks.
  - Students will be dismissed only to designated individuals and will be called down to the office once the parent/guardian comes to school.
  - The opening moments of a school day are very important and set the tone for the day. Coming to school late is an interruption for the child, his/her classmates, and the teacher. Any student not in homeroom by 8:15 AM is considered tardy. Tardiness is recorded on the student's Permanent Record. If a student acquires FIVE latenesses in one trimester, parents will be contacted and a meeting will be required with both teacher and Administration.

## **SCHOOL STANDARDS**

### **SPIRITUAL DEVELOPMENT**

Religion is taught as a subject and is incorporated in every activity and every class throughout the school day. In basing our curricula and disciplinary code on Christian values, we hope to instill in our children a love of God and learning, as well as a true spirit of loyalty to self, parents, country, and to the Church.

- **Faith Experiences** - In addition to daily prayer, the students attend regularly scheduled Prayer Services as well as monthly liturgies.
- **Sacramental Programs** - The classroom teacher, in conjunction with the Director of Religious Education of the student's home parish, will announce all parent meeting dates (as well as the actual dates) for the reception of the Sacraments of Penance, Eucharist, and Confirmation.
- **Service Projects** - Throughout the school year, students are provided opportunities to participate in a multitude of local, national, and global projects to respond to their Christian call to service.

### **ACADEMIC DEVELOPMENT**

- **Assessment Cards** - Student Assessment Cards will be distributed to parents three times a year. Parent-teacher conferences are scheduled at the end of the first and second trimesters (December and March). Additional conferences may be arranged whenever necessary.
  - Use of PowerSchool enables parents to monitor their child's/children's work online. Interim reports are sent home during each trimester in Grades 4-8 for those students who are struggling academically. Students in Pre-K have parent-teacher conferences and assessments.
- **Testing Program**

IOWA Test of Basic Skills: Grades 2-8

Cognitive Abilities Test: Grades 1, 4, and 7

New York State Testing: Grades 4, 6, and 8

- **Homework** - Completing homework is an invaluable tool to ensure the academic success of each child. Therefore, the following guidelines are in place for grades 2-8, to encourage compliance with homework requirements. Since we are in partnership with the parents, we ask parents to be sure to check their child's homework and to stay in contact with the teacher.
  - A student who fails to complete a homework assignment or fails to bring the assignment to class on the due date will be required to attend academic intervention during lunchtime. If homework is missed for a class after lunchtime, the student will be recorded as having received an academic intervention and the work **MUST** be handed in the next day.
  - A student who accumulates **TWO** missed/incomplete homework assignments will receive a letter to be signed by his/her parents. If a student participates on an athletic team, he/she will be required to sit out for the next game.
  - A student who accumulates **THREE** missed/incomplete homework assignments will be required to serve an After School Detention. If a student participates on an athletic team, he/she will be required to sit out for the next 2 games.
  - A student who accumulates **FIVE** or more missed/incomplete homework assignments, will be required, with his/her parents, to meet with the Principal and teacher. The student will also be required to stay after school for a specified length of time to complete all the incomplete homework assignments. Additionally, if a student participates on an athletic team, he/she will be deemed academically ineligible and will be suspended indefinitely from the team.
  - Academic Intervention - Students will be given a clean slate for each new trimester (Grades 2-8).
- **Retention** - Retaining a student is a serious matter and must be mutually agreed upon by parents, teachers, and administrators.
- **Graduation** - Students in eighth grade who fail 2 major academic subjects will not be allowed to graduate in June. The diploma will be granted upon successful completion of a summer school program.
- **National Junior Honor Society** - Long Beach Catholic Regional School is a charter member of the National Junior Honor Society. Membership is open to students in Grades 7 and 8.
  - Students considered for nomination to the National Junior Honor Society must demonstrate outstanding performance in five areas:

1. Scholarship
3. Service
5. Character

2. Leadership
4. Citizenship

- All requirements must be *consistently* maintained.
- **Field Trips** - Class trips, which are both educational and enjoyable, are planned at the discretion of the teachers with the approval of the administration. They are a means of enriching the curriculum. Written consent of the parent is required. Field trips are NOT OPTIONAL. All children (unless they have not earned the privilege of the trip because of behavior) are obligated to attend. Any parent chaperones accompanying the class on a trip must have completed VIRTUS training.

### **BEHAVIORAL EXPECTATION**

**Discipline** - the underlying framework around which all other aspects of education are structured. The ultimate goal of learning is self-discipline and self-direction. Good discipline begins with early training in the home and extends to the school and community. At LBCRS, discipline is based on the two great commandments: love of God and love of neighbor. Therefore, our discipline policy is geared toward assisting each student in understanding his/her Christian responsibilities to God and others.

Each morning, the entire school community recites the PRIDE pledge which reinforces our commitment to value and care for one another. PRIDE is an acronym for Perseverance, Respect, Integrity, Discipline, and Effort. These values are an integral part of our school's foundation.

Mutual cooperation between home and school must exist if discipline is to be maintained. To help maintain this Christian atmosphere, LBCRS has a discipline Referral System.

Every child is molded in God's image and should be treated with kindness and respect. Therefore, each student is required to support and cooperate with the following tenets:

- follow guidelines and procedures as directed by homeroom and subject teacher,
- demonstrate courtesy, such as good manners and respectful language, to everyone at all times,
- respect school property and the property of others,
- practice self-discipline,

- practice fair play, especially during recess,
- maintain an atmosphere of quiet (as stated by teachers) in the halls and stairways, and
- adhere to the established dress code on all school days.

**Referral Program** - Lack of respect of these guidelines will result in the issuance of a Referral. Receipt of a Referral will require that student meet before the **PRIDE** Committee (small group of teachers) to discuss the Referral. Parents will be notified immediately if a 2<sup>nd</sup> Referral is issued. Receipt of THREE Referrals for grades K-5 or TWO Referrals for grades 6-8 will result in an after school detention with the Principal (after notification to parent/guardian).

Major offenses will result in an immediate detention, and depending on severity, could result in a school suspension or expulsion. These offenses include but are not limited to:

- plagiarism, cheating or stealing,
- defiance or disrespect toward any person in authority during the school day including morning line up and dismissal,
- use of crude or abusive language/gestures toward anyone,
- use of a weapon or creating a weapon,
- defacing any school property, including bathrooms,
- any fighting or physical contact with another student, and
- forgery - using or attempting to use a note or other document containing a forged or altered signature of any authorizing adult.

If five detentions are served, the student will miss an upcoming school trip or activity.

Referrals and detentions have a direct impact on any student participating in the Athletic program, with the potential outcome of the student missing games or expulsion from the team. If a student participates on an athletic team, and receives a Referral for behavior, he/she will be required to sit out for the next game. TWO Behavioral Referrals will result in an indefinite suspension from the team. (Refer to Athletic code of conduct for specific guidelines.)

- Behavior Referrals – carries through the year, and includes Bus Referrals (Grades K-8)
- Uniform Referrals - clean slate for each new trimester (Grades K-8)
- **Specific to 8<sup>th</sup> Graders** - while an 8<sup>th</sup> Grader may qualify academically to graduate and receive a diploma, if he/she is not in compliance with our Behavior Standards, it is left to the discretion of the Administration, with the support of the Administering Pastor, to have the student withdrawn from some or all of the Graduation activities and ceremonies.

## **SAFETY STANDARDS**

### ***INTERNET SAFETY***

**Internet & Technology Use Policy** - *Internet use* includes communications originating in or outside of school by personal computer, laptop computer, iPad, cellular telephones, and other similar devices (including wireless communications). It is expected that students utilize the internet in ways that are faith-honoring, responsible, ethical and legal. Any such communications that perceive to threaten, harass, discriminate or defame other students or school personnel, violate school rules, or disrupt the educational process promoted by the school are unacceptable and could be grounds for suspension. Examples of unacceptable uses of the Internet are as follows:

- any electronic image of a student, school personnel or buildings identifying the school through location, clothing, or signage not consistent with the rules or ideals of the school,
- posting or disseminating written material, graphics, photographs or other representations which communicate, depict, promote or encourage:
  - any exam or exam answer,
  - use of any illegal or controlled substance, including alcoholic beverages,
  - violence or threats of violence, intimidation or injury to property or person, and
  - lewd, offensive, sexually suggestive or other inappropriate behavior on web-based networking service, web pages, websites, cellular phone network, Bulletin Board Systems, e-mail communications, text messages, internet based instant communication, or attachments.

*Technology use* includes devices located in the Computer Lab, Classroom Computers/Laptops, iPads, and Chromebooks (for select grades). Students are expected to use these devices under the guidance of school personnel following all rules and expectations as outlined by the school and the individual teacher at the time of use. Students and parents will be expected to sign more specific technology agreements at the start of the school year and/or whenever a student will be using a technological device regularly (i.e. Chromebooks). Examples of unacceptable use of technology are as follows, but not limited to:

- altering any of the settings on the device (backgrounds, text size, screen savers, etc.) unless given permission/requested to do so,
- downloading (even attempting to) apps/programs without permission/request to do so,
- use of built-in cameras unless specifically requested to do so for educational purposes, and
- physically damaging the device through handling carelessly or purposely.

Any student (Grades K-8) found to be inappropriately using technological devices belonging to the school, will receive consequences as follows:

- The first offense will result in a verbal warning to the student.
- A second offense will result in a written warning to the student and parent that must be signed and returned to the school prior to the child being permitted to use technological devices once more.
- A third offense will result in the student losing technology privileges with no exceptions for a period of time (minimum of 2 weeks) to be determined by the Administration.

**Social Networking** - Student behavior is expected to conform to values consistent with the Catholic faith, both inside and outside the school setting, relating to the use of and participation in social networking.

- Any technology use or use of social networking sites to display any wording or images of any students engaged in any activity which, in the sole discretion of the school administration, is inappropriate, crude, vulgar, or a violation of values consistent with the Catholic faith, or is illegal in any respect, will be subject to disciplinary action, including without limitation, suspension, expulsion and/or legal action.
- Any technology use by any student, in school or at home, which includes viewing or distributing any images, wording, messages or material which are, in the sole discretion of the school administration, seen as obscene, harassing, racist, inflammatory, malicious, fraudulent or libelous will be subject to disciplinary action, including without limitation, suspension, expulsion and/or legal action.

### **BUILDING SAFETY**

For the safety of each child, the school doors will remain locked for the entire school day. Any person entering the building will be required to sign the designated book and wear a badge that clearly identifies him/her as a guest in our school.

- Fire, bus, and emergency drills required by state law are routinely held. Students are expected to follow procedures for all drills.
- Students who travel to school by car should be dropped off at Grand Blvd. or W. Broadway so that they enter the schoolyard using the breezeway next to the church. Students are NOT permitted to be dropped off or picked up on W. Penn St. near the buses.
- Students who ride bicycles **MUST** wear helmets. All students should walk their bikes from the street to the bike racks and follow the same procedure when leaving school. All bikes must be locked. The school is not responsible for lost or stolen bicycles.

- **School Lockdown** - In the event of a lockdown, the school will follow a specific directive. During this time, no one will be permitted to enter or leave the building. Parents will be asked to respect the perimeter set by the police, if necessary. Parents will be kept informed of updates through the School Alert System and/or the school website.
- **School Lock Out** - An announcement will be made at school in the event of a lock out. Any students who are outside will immediately return to the school building. All exterior doors will be locked and classroom shades will be drawn. Only authorized personnel will be admitted to the building. Parents will be kept informed of updates through the school website and/or School Alert System.
- **Transportation Changes** - In consideration of the safety of the bus students being dismissed from school, parents are urged to avoid making changes in the student's dismissal procedures for any reason other than an emergency. Requests for passes that are made after 2 PM have no guarantee of being issued. Since many children do NOT have bus privileges, and several buses are overcrowded, temporary bus passes are not always possible to grant. Temporary bus passes can only be issued within a student's district.
  - Insurance regulations dictate that NO CHILD IS ALLOWED TO RIDE A BUS FROM ANOTHER DISTRICT. The school does not have the authority to grant this permission. Letters with this request cannot be honored.
  - **Students may be suspended from the bus after two Bus Conduct Referrals.**
- **Telephone/Cell Phone Use** - The Main Office phone is not ordinarily used by the students. Children are not permitted to call home for forgotten Chromebooks, gym uniforms, assignments, books, or instruments.
  - Any student bringing a cell phone to school must have a permission form signed by his/her parent/guardian on record with the homeroom teacher. If a cell phone is necessary due to after school activities, the phone MUST be turned OFF upon entering the school premise and while in school, including dismissal and After School Programs – NO EXCEPTIONS. Students MUST hand in their cell phone to their teacher as soon as they enter their classrooms (beginning at 8:05AM) for the duration of the day. **Failure to follow this policy will result in the phone being taken away and returned only to the student's parent/guardian.**
- **Visitors** - It is important to know who is in the school at all times. Since school doors are kept locked, visitors must enter through the main door and report to the office. No one may go to the classroom without the permission of the Administration.
- **Volunteers** - The work of volunteers is an integral part of the school's programs. Volunteers are utilized in a variety of ways. ALL volunteers must complete a **VIRTUS** session, and all forms are confidential and kept on file. Dates for VIRTUS training are provided on a regular basis.

In all cases, we rely on our parents to support us in these policies. The faculty and administration feel very strongly about how our students appear and present themselves. When our students come to school, we want them to look neat, clean, modest, and to show regard for conventional/conservative decencies in dress, style, and behavior.

An adult should transfer the medication to the school.
  - **COMMUNICABLE DISEASES:** Parents must contact the Health Office if their child has a communicable disease. The school will advise parents of any school regulations, and classmates will be given notices of possible exposure so preventative measures may be taken. ### **A SPECIAL NOTE OF GRATITUDE**

LBCRS, as a tri-parish school, relies on the spiritual, financial, and advisory support of the three parishes, the LBCRS School Board, and the LBCRS Parents' Club. We are grateful to them for their support.

### **THE SCHOOL BOARD**

- Purpose - The school board is a group of parents organized to develop, formulate, and recommend policies for LBCRS to the pastors and Principal. Policies may include, but are not limited to: curriculum, finance, equipment, enrichment activities, facilities, maintenance and repair, general school standards and dissemination of information. The Board promotes the implementation of policy, upon approval by the pastor. The implementation of policy is the responsibility of the pastors through the Principal. It is the Board's responsibility to evaluate the effectiveness of school policies.
- Participation - Membership on this board is limited to adults (21 or older) who are members of St. Ignatius Martyr, St. Mary of the Isle, or Our Lady of the Miraculous Medal.
  - The pastors, Principal, Development Director and president of the Parents' Club are ex-officio members.
  - Representatives from each of the aforementioned parishes will serve on the School Board.
  - Each member shall serve a term of 3 years and each is eligible for subsequent terms (to be determined by the pastors and Principal), not to exceed 2 terms.

## **LONG BEACH CATHOLIC REGIONAL SCHOOL PARENTS' CLUB**

The Parents' Club of LBCRS renders invaluable service and support to the maintenance and growth of the school. While the intention of this organization is to raise funds to help offset the ever-increasing costs of educating the children, this is not its exclusive function. The Parents' Club also:

- fosters a spirit of camaraderie amongst parents, providing all an opportunity to share their hopes, voice opinions and find support,
- coordinates with the school in providing quality education for the students through after school activities, and
- works collectively with all organizations officially connected with the parishes to further the school's interests and ideals.
