Dear Families, Friends and Guests of Long Beach Catholic Regional School,

As we begin another school year, I am so proud of all the many accomplishments our students have achieved over the years. The varied programs we have instituted in the school continue to enhance the education our teachers offer. Our graduates are prepared to succeed as they venture off on a wonderful path onto high school and beyond. I take great pride in how we continue to uphold the principles that set us apart from other schools.

Thousands of students have shared these principles over the years – all of which are based on the Gospel of Jesus Christ. LBCRS is a place where our faith shapes our spirit and our hearts and the knowledge we impart shapes our minds. How blessed are we!

We look to the months ahead with great excitement. From the installation of the National Junior Honor Society and Student Council members, to the many athletic programs well under way. In addition, we have two evening events created to promote support of our primary Math programs (Math University) and Reading for Grades Pre-K - 5 (Family Literacy Night).

There is so much going on that I invite our visitors to take a closer look at our school site and click on our online calendar. Please feel free to contact our office if you are interested in stopping by or possibly enrolling your child in our school.

I thank you all for joining me on this wonderful journey of being a part of the Long Beach Catholic Regional School family.

Blessings ~

Kerry B. Kahn
Principal
